The Cover: The team pictures used on the cover of this issue are from the collection of Mr. Gilbert M. Smith '21. Mr. Smith, Class Chairman for all classes prior to 1930, is also former football coach at the Academy. He can be seen in the picture on back cover, top row, 2nd from right.

# REPORT FROM THE HEADMASTER

*by John Ragle  
Headmaster*

The mist is heavy along the Ompompanoosuc River this early morning as I sit down to write here in our family's half-finished (hardly half-finished) little house in Vermont. Yesterday was one of the loveliest days of the summer. The neighboring farmer arrived at 6:30 a.m. to begin mowing the twenty-acre meadow at the foot of our knoll. New-cut hay scents the mist.

(At my elbow the headline on page one of the local daily speculates on the rumored closing of a well-known independent school nearby.)

In just a week my family and I return to the Governor Dummer campus for our fifth year back at the Academy. The school is healthy. In a sense, it has come through the difficult years since the late 'sixties (difficult for all non-profit, independent institutions) to achieve a kind of status quo. Therein lies a comfort and a danger. It is good to look back and recognize that painstaking effort by the Board of Trustees; care and hard work by the faculty, administration, and staff, top to bottom — together with the willing co-operation of the student body, parents, and friends, new and old — have enabled the Academy to weather well the most recent round of social unrest, inflationary spirals, and cost increases and presently to rest in secure condition.

(As the unfortunate school here in Vermont perhaps teeters on the brink of closing, one among her board members acknowledges a tight financial squeeze, but adds that "independent secondary schools are always in trouble financially.")

It is true that potential trouble lurks on the horizon these days for the unwary. Governor Dummer, however, is sound of wind and limb and dispensing for her young people as rich an educational experience as at any time in her 213 years. This is where the "status quo" comes in. Tempting as it may be, we cannot rest on our laurels, for laurels wither.

Recently twelve strong new faculty — eleven of them now entering upon at least their fourth year at the Academy — have enriched an experienced faculty. Younger men have undertaken from retiring veterans like Mac Murphy and Ben Stone several key leadership positions — each move from strength to strength, I believe.

We must look to our strengths, and confirm them; we must be sensitive to our shortcomings, and amend them. We must look both to preserve — and to create. While around us difficult times, bad luck, or bad management threaten some, the Academy stands with those representing a strong tradition and a vital element in American education. Our strength for tomorrow lies in the quality of the commitment by those of us charged with the day-to-day responsibility and in the belief and support of alumni, parents, and friends. Here at the outset of 1976-77 we happily accept the hard-won and comfortable status quo — and resolve to improve upon it!

## ADMISSIONS UPDATE

*by Michael A. Moonves  
Director of Admissions*

The 1975-76 Admissions year was a busy one. Over four hundred families brought their sons and daughters to the campus, representing the largest number of school visits since 1968-69. The number of final applications increased approximately 25%, also the highest number since 1968-69.

Opening Day involved a slightly different format this year with new students arriving on campus on Monday, September 13, and old students returning the following day. When classes began on Wednesday morning, the Academy was ministering to the needs of 329 young men and women. In this total, there are 221 boys and 108 girls with a boarding population of 186 including 144 boys and 42 girls, and with a day population of 143 including 77 boys and 66 girls. Significant milestones have been reached in total school enrollment. The overall number of girls and of girl boarders has increased as well, making the enrollment in these areas the highest in the two hundred and fourteen years that Governor Dummer has been in existence.

(Continued on page 2)

2 **ADMISSIONS STORY**  
(Continued from page 1)

All of this is well and good, but now is not the time to become complacent and simply expect 1976-77 to be the same. We must, therefore, solidify the efforts that were begun over a year ago.

In the area of alumni involvement we plan to restructure somewhat the Alumni Admissions Program. The slightly modified set-up will see the creation of area chairmen who will have others to call on for assistance. The area chairmen will be directly in touch with the Admissions Office on a regular basis. In this way we feel that there will be much closer contact between this office and those alumni who were selected and agreed to be area chairmen. There will be mailings this fall to all alumni representatives with the hope that their initial interest will increase as we work at this end to better organize the entire program. In addition to an organizational change in the Alumni Admissions Program, we plan to enlist the support of present parents and we also plan to increase the number of pre-prep school visits this year.

Let me close this article by saying that it is my earnest hope that the instruction of private secondary school remains strong and that if the future is bright, Governor Dummer will continue to stand tall amongst its peers. To all of you who have given your support to our admissions work, my partner, Dorothy Ogden, and myself are truly indebted.

**PARENTS DAY OCTOBER 30**

All parents of GDA students should note that Parents Day will be held this year on Saturday, October 30. A variety of enjoyable and informative events is being planned which will be helpful to the parents of all current students.

Parents will receive invitations with full details very shortly. In the meantime, please note the date on your calendar.

**ANNUAL FUND REPORT**

For the first time in its history, Governor Dummer has raised more than \$100,000 in an Annual Giving campaign. The final total for the 1975-76 Annual Fund was \$111,466, exceeding the goal of \$110,000.

The total represents a dollar increase of 22% over 1974-75, when the Annual Fund raises \$91,672. There were 130 more donors than last year, an increase of 14%.

The special Matching Gift Fund created by an anonymous alumnus proved extremely beneficial. All increases in giving over the previous year were matched on a dollar-for-dollar basis. In all, 212 alumni and 26 parents took advantage of this program, for a total of \$10,107 which was matched.

**Alumni Results**

Under the leadership of Bill Plumer '53 and his hard-working team of 160 Class Agents, GDA alumni increased their contributions by 28% over last year with a total of \$76,140. There were 808 alumni donors representing 25.5% participation by the alumni body, compared to last year's figures of 724 donors and 23.1% participation. The average gift figure increased from \$82 to \$94.

The Anniversary Classes were especially diligent and turned in excellent results. The 10 classes holding Reunions in 1976 increased their giving by an aggregate of 103%.

**Parents Campaign**

The Parents Campaign once again turned in an outstanding performance. Led by John Sterge and highlighted by a committee of 16 Area Representatives, Parents' giving rose from \$21,958 to \$25,071. The number of current and former parents who contributed to Annual Giving jumped 27%, for a total of 218 donors.

The 1976 Fund effort was one in which the entire GDA family can take great pride. We are deeply grateful to all the donors whose generosity resulted in the most successful campaign in our history, and to the many alumni and parent volunteers whose hard work made it all possible.

## 1976 ANNUAL GIVING

July 1, 1975 – June 30, 1976

	Donors	Amount
ALUMNI	808	\$ 76,140
PARENTS	218	25,071
FRIENDS	26	10,255
TOTAL GIVING	<u>1,052</u>	<u>\$111,466</u>

## THE GOVERNORS

(GIFT OF \$1,000 OR MORE)

With deep appreciation we list below the names of alumni, parents, and friends whose gifts to the 1975-76 Annual Fund were \$1,000 or more. This year there were 18 donors who contributed \$48,290.

### Alumni

Morris P. Frost '35  
William G. Griffith '37  
Richard D. Phippen '38  
John E. Griffith '40  
Robert F. Schumann '40  
Howard F. Stirn '41  
George D. Kirkham, II '51  
Peter R. Remis '52  
Nathan N. Withington '58  
Mirick Friend '59  
Robert M. Bass '67

### Parents and Friends

The Harriet B. Bayley Charitable Trust  
Mrs. Johanna Bergmann  
Mr. Thomas S. Brush  
Mr. and Mrs. Robert L.V. French  
Mrs. Philip M. Morgan  
Mr. and Mrs. Irving E. Rogers  
Anonymous (2)

## THE ACADEMY ASSOCIATES

(GIFT of \$100 TO \$500)

Shown below in grateful recognition are the 192 alumni, parents, and friends of the Academy Associates who through their concern and generosity contributed \$26,657 to the Annual Fund.

### Alumni

Roger B. Coulter '13  
Edwin M. Bailey '21  
James B. Gardiner '23  
J. Ellison Morse, Jr. '25  
Karl J.E. Gove '28  
Thomas P. Jones, Jr. '28  
Thomas S. Walker '29  
Hayward B. Brown '31  
Carl A. Buechner '31  
William A. Buechner '32  
Andrew R. Linscott '33  
Seth Baker '34  
Raymond H. Dunn '34  
George H. Tryon, III '34

Laird F. Covey '35  
Francis J. Hearn '36  
Thomas H. Logan, Jr. '36  
Robert V. McMenimen '36  
Thomas C. Nathan '36  
Richard M. Bartlett '37  
Putnam P. Flint '37  
Harold H. Audet '38  
Thomas L. Johnson '38  
J. Windsor Frost '39  
Joseph W. Pearson, Jr. '39  
F. Harrison Poole '39  
C. Thomas Tenney '39  
Hamilton C. Bates, Jr. '40  
Robert J. Lyle '40

## THE MILESTONE SOCIETY

(GIFT OF FROM \$500 TO \$1,000)

We hereby recognize with profound gratitude the 24 alumni, parents, and friends who gave between \$500 and \$1,000 to the Annual Fund effort. This year the Milestone Society raised \$13,106.

### Alumni

Gerry J. Dietz '35  
E. Pike Noyes '41  
Stanley A. Hamel '45  
Josiah H. Welch '47  
Robert L. Morse '51  
John L. Sellstrom '52  
Frederick M. Smith '52  
Howard J. Heffernan, Jr. '53  
Richard B. Osgood '53  
William B. Ardoff '55  
Carl A. Pescosolido, Jr. '55  
Richard S. King '56  
Edgar F. Kaiser, Jr. '61  
Jonathan S. Shafmaster '63  
Jeffrey L. Gordon '69

### Parents and Friends

Mr. and Mrs. David Auerbach  
Mrs. George T. Bottomley  
Mrs. Montagu Hankin  
Mr. and Mrs. Joseph S. Hoover  
Mr. Hartley C. Laycock, Jr.  
Mrs. Morton C. Nichols  
Mr. and Mrs. James A. Ostheimer  
Mr. and Mrs. Russell H. Smith, Jr.  
Mr. and Mrs. John C. Sterge

# THE ATHLETIC PROGRAM AT GOVERNOR DUMMER

by Robert E. Anderson  
Director of Athletics

12

When I accepted the job of Director of Athletics to begin in the fall of 1972, I realized that I had my work cut out for me. We were still in the period of general student dissatisfaction with schools and structured programs, which had sifted down to us from the college level. We were also on the threshold of launching a full interscholastic program for girls, who were about to begin their second year at Governor Dummer.

At that time, I felt that an athletic program could be offered and administered which would interest the students, and that we could maintain the traditional values which many of us feel can best be taught through that medium. I feel that our current program is fulfilling both of these goals.

## Requirements and Participation

We have long believed that the lessons that can be learned on the athletic field should be a part of every young person's experience. It is still our goal to have every student participate as much as possible, although we no longer require interscholastic participation in every season for older students.

Our 9th and 10th grade students must be involved with an interscholastic team for all three seasons, and the 11th grader or "new" 12th grade student must be on a team for at least one season. Free Athletic Terms are available in the other seasons to the two upper classes, and intramural sports offer another option for 12th grade students. Those who choose and whose proposals are approved for a Free Athletic Term are required to take Physical Education classes during four of their free periods each week.

The fear of many had been that with non-inter-scholastic options available, the older students would not participate in interscholastic sports. We disagreed with that opinion, for we maintained that an attractive and well-run program would attract students beyond any requirements established. Our statistics tend to support this point of view: In the Junior Class (11th Grade), the percentage of boys and girls participating for two or three seasons has increased over the past four years. Currently over 85% of our 11th grade boys, and over 82% of our 11th grade girls, participate in *more* than the minimum requirement. In the Senior Class (12th Grade), 65% of the boys and 33% of the girls still participate in two or three interscholastic seasons, and over 85% of the boys and 67% of the girls participate in *more* than the minimum requirements.

Perhaps another way to assess this aspect would be to examine the trend in participation by all classes in interscholastic sports over the past four years. The average participation by boys per season has increased from 70.3% to 79.3% between 1972-73 and 1975-76, while the girls have increased participation from 61.7%

Bob Anderson in his 19th year of coaching has served as Athletic Director for the past 4 years.

to 71.6% over the same period. Even more dramatic is the increase of the boys from 63.1% during the 1971-72 school year. (We had no interscholastic sports for girls that year, and no basis for comparison for their first year.)

## Program Changes

One of the ways we have stimulated participation in our program has been by listening to the students, and by adjusting our program to reflect their interest when there is no real conflict with philosophy, budget, personnel, or space. In turn, the students seem willing to listen to and accept our reasons when one of the above restrictions does inhibit a move in the direction of their interest.

The following changes have occurred during the past four years:

1. Introduction of Interscholastic Program for Women
  - a) Field Hockey (Fall)
  - b) Basketball (Winter)
  - c) Lacrosse (Spring)
2. Introduction of Women onto Coeducational Teams
  - a) Cross Country (Fall)
  - b) Ski and Track (Winter)
  - c) Golf, Tennis, Track (Spring)

---

*"One of the ways we have stimulated participation in our program has been by listening to the students."*

---

3. Introduction of Intramural Programs for Women
  - a) Tennis (Fall)
  - b) Dance (Winter)
4. Changes in Intramural Programs for Men
  - a) Introduction and elimination of Fall Golf
  - b) Elimination of I.M. Hockey (Winter)
  - c) Change of I.M. Basketball to I.M. Volleyball (Winter)
    - 1) Made co-educational one year later
  - d) Elimination of I.M. Softball (Spring)

Pursuing the same pattern, we are making further changes for the 1976-77 school year:

1. Addition to the Interscholastic Program for Women
  - a) Soccer (Fall)
  - b) Volleyball (Winter)
  - c) Track (Spring)
2. Changes in the Co-educational Intramural Program
  - a) Change from I.M. Volleyball to an "Outward Bound" type Outdoor Program (Winter)
  - b) Tentative reintroduction of I.M. Softball (Spring)

Virtually all of the intramural changes have come as a result of student interest (or lack of interest), and the same ideas led us to eliminate the option of intramural sports for 11th graders. We strongly feel that the increase of participation by students in the interscholastic programs has been influenced by the flexibility of the overall program.

One of the most significant changes has been the increase in the number of athletic contests played. I felt that it was not philosophically sound to have strict requirements for participation by the underclassmen and to have the varsity teams playing by far the majority of the games. Thus we have greatly increased the number of subvarsity contests in addition to adding the games that currently make up the women's program. This is best shown by the fact that we played 240 athletic contests at all levels in 1971-72, and this past year we played more than 320. The trick has been to make this increase within the confines of the budget.

I very strongly feel that this increase of "playing time" at the subvarsity levels has been a contributing factor in the increase of participation particularly in maintaining the interest of the older student to participate beyond the minimum requirements.

#### Team Records

One of the benefits of attracting participation in the program has been an improvement in the won-lost record. There has been a slow, but steady, improvement in our overall program. Theoretically, a team should

---

*"We strongly feel that the increase of participation by students in the interscholastic programs has been influenced by the flexibility of the overall program."*

---

have a 50-50 chance in every game that it plays, and Governor Dummer teams at all levels of all sports have won or tied 45.7% of 315 games this past year. This figure is an improvement from the 37% of 1972-73, and it also represents the fact that eight 1975-76 school teams had records of winning two-thirds of their games or better. These eight "outstanding" teams are equal to the total for the preceding three years.

To put this in proper perspective, since 1960-61 (when accurate records began) there have been seven "better" years than 1975-76 and eight "worse" years. The lowest percentage in that period was the 37% of 1972-73 and the highest was 59% in 1965-66.

There are some sports that continue to have outstanding success over the years, such as Heb Evans' wrestling and lacrosse teams. Some sports, such as football and baseball, have been "down" for quite a period; while others, including cross-country, basketball, and track, have shown a recent decline. On the other hand some programs, such as hockey, tennis, and all the women's sports, seem to be on the way "up". The overall picture, however, is one of improvement and should continue to be. Perhaps the best evidence of this is that our 3rd Level (Freshman) men's teams in soccer, basketball, and lacrosse, along with JV women's lacrosse, were among the eight very successful teams of this past year.

### Athletic Budget

Perhaps the hardest area to equate with the program is the budget. As indicated previously, we have more students playing athletics than ever before, and they are playing more games. Needless to say, prices for goods and services are higher than ever.

Put in practical terms, a letter award pin costs 36% more than it did in 1972, a practice jersey has gone up 47% in the same period of time, and a case of 1½" athletic tape has increased 55%. In services, our Officials Budget has increased by 45% and our Transportation Budget by 60% over the four years. We have had to learn to deal with these facts of life by being more efficient in what we do and how we do it. In actual figures, the Athletic Budget expenditures have increased 18.3% over the past four years, which represents an increase of \$17.42 per student over that period.

### Conclusions

We have a thriving Athletic Program at Governor Dummer. It is successful in that more and more students are taking part; it is successful because it is deep enough, broad enough, and flexible enough to meet the needs of the current student body and abilities of the faculty. It is able to do all of this within the confines of a limited budget.

Statistics are interesting, but they cannot take the place of seeing a Governor Dummer team in a tight contest. The skills of the players and coaches going head-to-head with a difficult opponent, the interest and the enthusiasm of the parents and students who support them, and the intensity of all as they strive for success — these are the real signs of a successful program. I invite you to come and see for yourself.

# FACULTY APPOINTMENTS

## ACADEMY HIRES NEW DIRECTOR OF DEVELOPMENT

Scott D. Lothrop '53 has been appointed Director of Development for the Academy. Scott attended Trinity College and Boston University, and holds B.S. and M.S. degrees from B.U. He brings to Governor Dummer 17 years' experience in educational fund-raising. He has served as a staff member of M.I.T.'s Second Century Fund capital campaign; as Associate Director of Annual Giving at the Harvard Business School; as Director of Annual Giving at Tufts; and as Field Representative for Deerfield Academy's current capital campaign. As Director, he will be responsible for all areas of development and alumni relations, and will focus on establishing a deferred giving program and organizing capital solicitation.

The Lothrop's reside in Georgetown with their three children, Jack, Bill, and David, the latter a sophomore at GDA this fall.

## ASSOCIATE DIRECTOR APPOINTED

Also joining the development staff as Associate Director of Development is Barry Burlingham '71 who comes to Governor Dummer from Brookwood School in Manchester, Mass. Barry is a 1975 graduate from the University of Lancaster in England and will assume responsibility for the Annual Fund, public relations, and publication of the *Archon*. He will reside on Perkins III.

## ENGLISH TEACHER WILL COACH FOOTBALL

From North Yarmouth Academy in Maine comes Governor Dummer's newest addition to the English Department, Mr. Morton G. Soule. An instructor in English and Latin, Mr. Soule also assumes responsibility of the varsity football program as head coach, and will

assist the track team in the spring. A graduate of Exeter and Bowdoin, Mort captained his college football team and has coached in Sanford, Maine and at Deering High School in Portland. In 1972 Mr. Soule received his Masters in Education from the University of Maine and is currently a Ph.D candidate from Boston University.

In addition to three sections of English, Mort will also teach Latin I and reside in Commons with his wife, Sally, and their two boys Matthew age 6, and Derek age 3.

## A NEW LANGUAGE DEPARTMENT MEMBER

Governor Dummer also welcomes Lucy Welbourn of Garrison Hill, Maryland to its faculty.

A 1972 graduate of Pine Manor Jr. College, Ms. Welbourn spent her Junior Year Abroad at La Sorbonne Nouvelle and L'Institut Catholique in Paris, and in the latter part of that year taught English as a foreign language in a Parisian college d'Enseignement Secondaire.

A cum laude graduate from Georgetown in 1975, Lucy was an assistant to the language coordinators for Experiment in International Living in the summer of 1973 and, most recently, a French teacher at the Hawthorne School in Washington, D.C. At Governor Dummer, Ms. Welbourn will instruct French and Spanish and live in the third floor apartment in Commons.

## MATH DEPARTMENT HAS NEW ACTING CHAIRMAN

As of September, newly hired Thomas J. Foster becomes acting chairman of the math department replacing Dick Leavitt, Dean of Studies. Political turmoil and violence in Beirut forced Tom to leave the city and abandon his previous teaching job in Lebanon for the relative peace and quiet of G.D.A. where he will work with the Outing Club in addition to his teaching duties.

Mr. Foster has a B.A. from Northeastern and an M.A. from the University of Massachusetts with teaching experience at Winchester School and Collegiate Schools in Richmond, Va. In addition to his work in Lebanon, Tom has also taught in the Peace Corps in Stephanville, Newfoundland.

## FACULTY INTERN

Peter R. Conway '73 returns to Byfield as a faculty intern following his graduation from Boston College this past spring. Peter will be involved in supervising study halls, assisting in soccer, hockey, and golf, and will teach some classes on a part-time basis. Mr. Conway will live on Ingham I.

## CLASS NOTES

16

### '38

A letter from Verges Van Winkle '37 says that moving to Texas or Arkansas may be in his plans for the near future.

### '40

The Board of Directors of the Reece Corporation has elected **Andrew C. Bailey**, partner of Powers and Hall, to serve on the Board of Directors until the Company's annual meeting in 1977. Andrew will complete the term of the late William H. Gulliver, Jr.

### '41

**Richard M. Wyman** announced that he is officially a noncommuter to Boston since Wright and Potter Printing Co. was recently liquidated. He is now drawing house portraits, doing sign painting, murals, and pen and ink work. Word comes to the *Archon* that **Cushing Strout, Jr.** has received the Ernest I. White Chair of American Studies at Cornell. A specialist in American cultural and intellectual history, Mr. Strout has been a member of the Department of English at Cornell

since 1964. He is the author of 35 articles and several books on interdisciplinary American Studies.

### '45

Former representative in the New Hampshire legislature for five terms is **Stanley Hamel** who has filed as a Republican candidate for moderator for Seabrook, N.H. in the September primary. Stan is presently a trustee of Governor Dummer, the Strawberry Bank area of Portsmouth, and is currently the treasurer of Trinity United Church in Seabrook, N.H.

### '46

With the investment business behind him, **Ted Mixer** writes that he is now working with the Ohio Cottery in the speculation field.

### '49

**Dr. Manson P. Hall** has been named Headmaster of Watertown High School. A graduate of Amherst with an M.A. in

teaching from Harvard, Manson also holds a Doctorate in Education from Teachers College, Columbia University. Extensive experience here and abroad made him the choice for the position by the Advisory Screening Committee which interviewed 125 candidates from 56 different institutions. **Irwin Grossman** edits, arranges, and distributes material for a publication called Inside Football Report which was carried last year by the Boston Globe and some thirty other newspapers during the N.F.L. season. He concludes, "We send out the odds, but don't call for the winners — we don't guarantee."

## '50

The president of Controlonics Corporation, which manufactures communications accessories is **Dodge Morgan**. He is also president of Whistler Marine, Inc., a subsidiary which makes marine radar instruments in Littleton, Massachusetts.

## '53

**Charles Brown** now has a private practice in internal medicine and pulmonary diseases in Tucson. **Don Tracy** and his wife, Linda, live in Rockport, Maine where Don spends much of his time managing a company that installs burglary and fire alarm systems in homes and

businesses. Together he, his wife, and his three children are enjoying life in this seacoast area. From **Parker Field** we learn of his promotion to Director of Administration for Dana Corporation World Headquarters in Toledo, Ohio.

## '54

President Ford has promoted **Michael Smith** to Chief Textile Negotiator for the United States. Michael holds the rank of minister as a Foreign Service Officer, grade two. Also doing well with the government is **Gerard Vaughan** who is now Chief of the Aerial Refueling Program at the Military Airlift Command Headquarters, Scott Air Force Base, Illinois.

## '56

"Doing very well as a free-lance writer," is **P.R. Taylor**, whose first collection of short stories has been accepted by Harper and Row Publishers. He is also working on his first novel.

## '57

Lieutenant Commander **David Macomber** is the Equal Opportunity/Race Relations Program Officer for the Commander, Naval Air Force, U.S. Pacific Fleet located in San Diego, California. **John Keller** writes that he and his family are living in Southern Florida where he is practicing radiology.

## '58

Married and living in Denver is **John Schabacker** who is vice-president of the banking firm of Kirchner, Moore, and Co. John and his wife have three children: two boys age 11 and 8, and a daughter four months old.

## '61

A hydro-mechanical engineer, **Bertram Noyes** is working on jet fuel controls at G.E. in Lynn and is married to the for-

18 mer Sayre Atkinson. The Noyes have a son, Daniel, age one. We happily announce the fatherhood of **John Brickson** whose son Kevin John was born on November 7, 1975. **Barry MacNutt** is now working at Walpole High School and living in Norwood. He also ran a hockey camp at the Berkshire School this past summer.

## '62

Dr. Anthony Whittemore has been named the Vascular Surgical Fellow at Harvard Medical School and will spend the next year at Peter Bent Brigham Hospital. He will be living in Duxbury with his wife and three children. September enrollment at the Amos Tuck School of business is planned for **James Gordon** following his discharge from the Navy.

## '63

Bob McGilvray received his Masters of Landscape Architecture degree from the University of Pennsylvania in 1974 and is associated with McCarter, Naisne & Partners, Architects and Planners in Vancouver, Canada. **Robert Fullerton** and **Jeff Ellis** are again flying for American Airlines after a two-year furlough. They urge all alums to fly American to help keep them employed.

## '65

Ralph Sexton is involved in production management of the "Pronto" camera for Polaroid and is living in Winchester. He is currently building his own bachelor residence in Lincoln. **John Koutsos** of Manchester, N.H. received his J.D. from Rutgers Law School in the spring and will assume a clerkship with the United States District Judge for the District of New Jersey as of September. **Jim McGuire** was married to Ellen Humphreville of New Lincoln, Connecticut. Jim received his B.A. from Yale in 1969 and his law degree from the University of Pennsylvania in 1973.

## '66

Jeff Weber is currently making educational and documentary films in New York.

## '68

"As of September 1976 I will be working for Cadwalader, Wickersham & Taft Attorneys," writes **Josh Burns**. At present, he is law clerk to Hon. Thomas C. Platt, United States District Court Judge in New York. **Don Hayes** writes that he is still an engineer at the USC Instructional Television Center, and spends his free time rebuilding his blown engine. **Rick Schiess** and his wife, Donna, spent the summer guiding horseback trips in Tererro, New Mexico. During the school year, Rick is enrolled in graduate school in special education at the University of New Mexico. **John Emerson** is working for the American Supply Division as the Director of Quality Assurance, while **Charles Johnson** works for Southern Oil of New York as a service station manager until his wife, Chris, completes her last year of nursing school at the University

of Rochester. **Ross Raymond** has started his first year in the Physician's Assistant program at Yale. **Jon Smith** was married to Linda Louise Tucker of Oklahoma at a ceremony held in Gates Mills, Ohio. Jon is presently working in the credit department of the First National Bank of Boston. Classmate **Bob Stewart** was also married and his wife is the former Barbara Wechsler of Hartford, Conn. Bob is an Amherst graduate and plans to enter the University of Connecticut Law School in September.

## '69

**Robert Amsler** married Barbara Alice May on July 10 in Pittsburgh. Also married was **Steve Lee** to Barbara Palm of Minneapolis. **Peter Clute** was best man and **Bill Dubocq**, former G.D.A. chaplain, performed the ceremony. Steve still works for F.W. Woolworth.

## '70

**Tom Price** writes that he will be entering Washington & Lee University Law School this fall, and **Jeff Brown** also matriculates as a first-year law student at Boston University in September. **Steve Worth** is engaged to Ms. Cécile Dager of Paris, France. Steve graduated from Georgetown University and is now employed by the U.S. Senate. A fall wedding is planned in Paris. Also married was **Jim Furgal** to Gail Kaufman of Stamford, Connecticut on June 5. Jim is an MBA candidate at Babson and his wife is employed by the Boston Globe as an artist and designer.

## '71

**Peter Harris**, a spring graduate of Trinity, took part in the Thames Cup Competition of the 137th Henley Royal Regatta, July 1-4. His boat made the quarter finals where a strong team from Penn defeated the Trinity crew. Peter's lightweight boat managed to defeat Ibis Rowing Club on

the first day of competition, however, before being stopped in the quarter final round.

## '72

**Brian Lenane** graduated from Franklin and Marshall last June receiving his degree in Biology. While at F & M, he played Lacrosse for three years and was a member of Chi Phi Fraternity. He will enter Wharton School in the fall. **Jon Davis** graduated from Colby last spring with a degree in Environmental Sciences. He has also broken all lacrosse records at Colby and was elected Most Valuable Player by his teammates. Jon finished his 33 game college career with 80 goals and 94 points. **Bruce Rindler**, a graduate of Vassar this past May, is traveling to Mexico and down into South America. **Blaine Stone** is attending the University of Iowa.

## '73

**David Metcalf** has won an ROTC scholarship and, at last report, was at Army Ranger Camp. **Bruce Sheldon** recently transferred to Babson College in Wellesley.

## '74

**Tom Moseley** has been elected President of the Inter-fraternity Council at the University of Montana. **Mark Myers** spent his freshman year at Pomona College in Claremont, California. His sophomore year included a semester at Tufts and a semester at Middlebury where he participated in the Russian Program for nine weeks. In September he returns to Pomona.

## '75

**Keith Esthimer** has been promoted to the rank of Eagle Scout. The award was made at the Spring Court of Honor of Troop

83, Norwood, by William Buckman, founder of the troop. Keith is now studying at Clark University. A candidate for representative to New Hampshire is **Steve Dunfey** who has filed as a Democrat from the Hampton-Hampton Falls District. Dunfey is newsletter editor for Common Cause - New Hampshire, and active in the Seacoast Common Cause.

### In Memory

We regret to announce that **Richard Moulton '28** passed away last July.

**John Kimball '42** died in July at Newton-Wellesley Hospital at the age of 52. John was the advertising director for the New England Advertising Weekly, and a graduate of Yale.

**Tony Smith '54**, former state representative for the Hampton area, died suddenly last July at the age of 40. He was president of Linewebber and Smith, Inc., an insurance agency in Portsmouth, New Hampshire.

Unhappily, we announce the death of **Robert Winslow '75** who died after a brief illness in August.
